<b>Brugge Tripel - City Beer</b>	8,5 % alc	18 cl	€ 3,10

<i>For sale @ Marcel's Shop!</i>	Glass + bottle + case		€ 13,50

The Bruges city beer of old, potent and bitter-sweet BRUGGE Tripel has a beautiful golden-blond colour and a firm, rocky head, leaving a trail of Bruges lace on the glass. The aroma has a typical touch of smoked phenolic, and the flavour is bitter, rich and creamy.

<b>Rodenbach Grand Cru</b>	6 % alc	18 cl	€ 2,70
		33 cl	€ 3,90

Grand Cru by RODENBACH has on average been left for much longer in the oak casks ("foeders") of the Roeselare "beer cathedral", which results in a more pronounced version of the "Flanders Red-Brown Beer" style. RODENBACH Grand Cru consists of 1/3 young beer and 2/3 beer matured two years in oak. The result is a complex beer with a great deal of wood and esters, vinous and with a very long aftertaste, just like a Grand Cru wine.

<b>Steenbrugge Blond</b>	6,5 % alc	18 cl	€ 2,70
		33 cl	€ 3,90

<b>Steenbrugge Bruin</b>	6,5 % alc	18 cl	€ 2,70
		33 cl	€ 3,90

The secret of STEENBRUGGE abbey beer is the unique "gruut" blend of herbs and spices, which gives the beer its delicious flavour. Every town used to have its own beer, each with its own individual character. In Bruges that character was determined by a blend of herbs and spices that brewers were obliged to purchase from the city's herbs and spices shop, known as the "Gruuthuse".

### FLESENBIER - BOTTLED BEER

<b>Steenbrugge Wit - White</b>	5 % alc	25 cl	€ 3,00
--------------------------------	---------	-------	--------

<b>TRAPPIST: Orval donker/dark</b>	6,2 % alc	33 cl	€ 5,00
------------------------------------	-----------	-------	--------

Trappist beer is brewed by Trappist breweries. Eleven monasteries - six in Belgium, two in the Netherlands and one each in Austria, Italy and United States - currently brew beer and sell it as Authentic Trappist Product. The Trappist order originated in the Cistercian monastery of La Trappe, France.

<b>Cornet - blond</b>	8,5 % alc	33 cl	€ 4,60
-----------------------	-----------	-------	--------

CORNET is a strong blond Belgian beer that has a subtle, willful and sophisticated wood flavour with a note of vanilla and a "velvety" mouth feel that rivals that of an oak-matured wine.

<b>Kriek Boon</b>	4 % alc	25 cl	€ 3,20
-------------------	---------	-------	--------

<b>Oude Kriek Boon - Old (bottle with a cork)</b>	6,5 % alc	37,5 cl	€ 7,10
---	-----------	---------	--------

For this speciality, we use old and young lambic beer that has aged in our oak casks. When the lambic is 6 months old, we add 25% black cherries. This provokes the second fermentation. We then clarify, filter and bottle it.

<b>Oude Geuze Boon - Old (bottle with a cork)</b>	7 % alc	37,5 cl	€ 4,70
---	---------	---------	--------

Oude Geuze Boon is a taste classic and has an alcohol volume of 7%. It consists of 90% mellow, 18 month-old lambic; 5% characterful, 3 year-old beer; and 5% very young lambic, which provides fermentable sugars and viable yeasts. All BOON beers are matured in oak casks ("foeders"). Blending occurs in a 25,000 litre blending tank, where the lambic mixture is stored cold. During bottling, the lambic is returned to the fermentation temperature. Secondary fermentation occurs in an air-conditioned room. After bottle conditioning, lambic is dubbed "old geuze", and after several months of fermentation it obtains its fine flavour.
